

UV RESISTANT ARM SLEEVES

MODEL NO. FAS-WHITE / FAS-BLACK

Stay protected and comfortable with our UV Resistant Arm Sleeves. Designed for outdoor enthusiasts and those working in the sun, these sleeves offer superior sun protection with UPF 50+ fabric, blocking harmful UV rays. The lightweight, breathable material ensures all-day comfort, while the stretchy design provides a snug fit without restricting movement. Ideal for sports, gardening, or daily wear, they wick away moisture and dry quickly, keeping you cool even in the heat. Plus, the stylish look makes them a versatile accessory for any outfit. Shield your skin while enjoying the great outdoors

SPECIFICATION

- **Material** : 85% Spandex , 15% Nylon
- **UPF 50+ Protection** : Blocks over 98% of harmful UV rays.
- **Breathable Fabric** : Lightweight material promotes airflow for all-day comfort.
