

Reusable Ear Plug with Case MODEL NO. EP2

Our Reusable Foam Ear Plugs are designed to provide excellent noise reduction with an NRR of 29 dB and complying to EN 352-2:2022. They come with a hygiene carry case and are corded to prevent loss. The shape of the plugs fits comfortably and perfectly in the ear canal and has a smooth, dirt-resistant surface for hygiene. Made from hypoallergenic material and comfortable size, they can be used with other personal protective equipment. These ear plugs are an ideal solution for anyone seeking a reusable, environmentally friendly, and comfortable way to protect their ears in noisy environments.
