

## WORK IN PROGRESS SIGN BOARD

### DESCRIPTION:

This Work in Progress Sign Board is to prevent any unforeseen accidents that could cause harm or damage to a customer or pedestrian. It serves as a clear and visible warning to draw attention to the ongoing work in the area. The sign is highly noticeable due to its bright yellow color, bold English lettering, and a construction-related symbol. The sign is made of lightweight plastic material and features a handle and foldable design, making it easy to move and store after use.

**MODEL: TS1072**

### FEATURES:

- Available in plastic.
- Durable, lightweight, and weather-resistant.
- Foldable and stackable design for easy storage and transportation.
