WARNING CHAIN CONNECTOR

DESCRIPTION:

Constructed from durable materials, this connector links warning chains securely, ensuring that barriers remain intact and visible. Ideal for use in construction sites, event management, and crowd control, the connector features a bright color or reflective surface to catch attention.

Applications:

- **High Durability:** Built to withstand outdoor elements and heavy use.
- **Easy Installation**: Simple to attach and detach, allowing for quick setup and adjustments.
- **Versatile Use**: Suitable for various applications, from industrial settings to public events.
- **Safety First**: Designed to prevent accidental disconnection, maintaining a clear boundary for safety.

MODEL: TS1057

MODEL NO	TS1057
MATERIAL	PLASTIC
PACKING	200 PCS / CTN
COLOR	RED
ORIGIN	CHINA
HS CODE	39269097
