

# WARNING FLAG WITH STICK

## DESCRIPTION:

The Warning Safety Flag with Stick is an essential tool for enhancing visibility and safety in various environments. Designed for both indoor and outdoor use, this vibrant flag is highly noticeable, making it perfect for construction sites, roadwork, event management, and emergency situations.

## FEATURES:

- **High Visibility:** Bright colors and reflective materials ensure the flag stands out, even in low-light conditions.
- **Durable Construction:** Made from weather-resistant fabric and a sturdy stick, this flag can withstand harsh elements and frequent use.
- **Lightweight & Portable:** Easy to carry and deploy, making it convenient for quick setups when safety is a priority.
- **Versatile Use:** Ideal for signaling, marking hazards, or guiding traffic in various situations.
- **Easy to Use:** The flag attaches securely to the stick for simple handling and visibility
